Re: Timothy J. Lehey v. Northwell Health, Inc. and North Shore LIJ Anesthesiology, P.C.
Case No. 7:23-cv-04708-PMH

Dear Judge Halpern:

As you are aware, we represent Defendants Northwell Health, Inc. and North Shore LIJ Anesthesiology, P.C. ("Defendants") in the above-referenced case. We write to respectfully request a brief, one-week extension of the Parties' deadline to file a pre-motion conference letter concerning an anticipated motion for summary judgment. Plaintiff consents to this request.

Per Your Honor's Individual Rules of Practice, the pre-motion conference letter, along with the Parties' combined Rule 56.1 Statement and responses, is currently due April 30. However, Plaintiff's Counsel is currently on vacation, returning April 16, 2025. As such, a brief extension of the deadline to submit the pre-motion conference letter and Rule 56.1 Statement until May 7, 2025 will allow for adequate time for the Parties to comply with Your Honor's requirements for the omnibus Rule 56.1 Statement, and prepare for the mediation, currently scheduled for April 25, 2025.

We thank the Court for its consideration of this request.

Respectfully submitted,

Littler Mendelson, P.C.
